THE STUDENT COUNCIL

The Student Council is the main organization of the school. It is set up similar to the national government. Each high school class chooses two students, junior high, one student, to represent it in the Student Council. The class presidents are also on the Council.

The Student Council represents the student body in the eyes of the Principal and faculty. If any student has a question about or sees a problem in school, he should feel free to present it to the Council. We will gladly help. That is one of our main purposes.

Another activity of the Student Council is to try to make school more enjoyable for the students. One of our main activities is sponsoring the convocation programs during the school year.

THE NATIONAL HONOR SOCIETY

The National Honor Society is an organization which has high standards. A Freshman is not permitted to become a permanent member, he or she is only a provisional member. Only juniors and seniors can hold office in this organization.

Membership in the organization is based upon Scholarship, Service, Leadership, and Character. To qualify in Scholarship you must have a B- or above average. To qualify in Service and Leadership, the girls must belong to two organizations other than the N. H. S. The boys not taking part in athletics are required to belong to two organizations, except for sophomores who need only one. Finally, a committee of five teachers examines the character of those who qualify for membership on the areas of Scholarship, Service, and Leadership.

The Future Farmers of America, or "FFA" as it is commonly known, is the national organization of, by, and for boys studying vocational agriculture. The FFA is an extra-curricular activity having its origin and root in a definite part of the school curriculum-vocational agriculture. Among other things, members learn through active participation, how to conduct and take part in a public meeting; to speak in public; to finance themselves; to buy and sell cooperatively; to solve their own problems; and to assume civic responsibility. The FUTURE FARMERS OF AMERICA organization is built, includes leadership, and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

Class History of 1965

Our formal education started as we left our sheltered homes for the first grade of school in 1953-54, with Miss Gladys Holle as our teacher. Twenty-seven of us enjoyed the ABC's.

In 1955, Miss Gertrude Misch was the teacher of 30 of our class in the second grade. Then, in 1956, Mrs. Helen Kirkland was our third grade teacher and we still had 30 in our class.

Our fourth grade started in 1957, and we had Mrs. Betty Hoehn for a teacher. In 1958, Mr. Sam Miller was our fifth grade teacher. It was our first class in the big building. We had never had a man teacher before, but he was very nice.

In 1959, Mrs. Mildred Woolever was the teacher of our sixth grade class. We were thrilled to take our first class trip, which was a trip to the Museum of Science and Industry in Chicago.

In 1960 we had quite a different experience as we merged with the High School classes. We were now in Junior High. Our home room was Room 21. Our sponsor was Mr. Duane Bisher. We had two class parties. Class officers were Bob Myers, Fred Abbring, Wanda Whited, Janet Strain, Helen Finney, and Kathy Pavot. Janet Strain was our cheerleader.

1961, eighth grade was an advance toward maturity. Our members numbered 31. Of the number, three were new comers. Larry Crawford, John Byra and Bob Eckert were the three. Officers were: President--Bob Myers; Vice President--Roger Parker; Secretary-Treasurer--Dusty Howard; Reporter--Cecil Crownover; Student Council--Bob Eckert and Wanda Whited.

1962, the swelling of our class to the large number of 54 in our Freshman year was due to entrants from Kniman, Newland, Gilliam DeMotte Christian, and Tefft. Our sponsors were Mr. Kent Demmary and Mrs. Doris Myers. Class officers were: President--Fred Abbing; Vice President--Louise Wright; Secretary--Marcella Oliver; Treasurer--Janice Alberding.

1963 found us as sophisticated Sophomores with Mr. Jack Helms as our sponsor. Class officers were; President--Dusty Howard; Vice President--Helen Finney; Secretary-Treasurer--Wanda Whited; Student Council--Janet Strain and Paul Gielerak. Class sweaters were ordered of black with red and white trim. We also chose our class rings called "The Twist".

1964 was our Junior year and the big thrill of the Prom was anticipated. The theme was "Evening in Paris". The Junior play, "No Boys Allowed", was presented under Mr. John Hauser's direction. An outstanding event was the presentation of an operatta "The Music Man" with singing star roles taken by Cecil Crownover and Janet Strain. The class officers were: President--Roger Parker; Vice President--Kathy Pavot; Secretary--Louise Wright; Treasurer--Allen Martin; Student Council--Janett Manns. Our sponsors were Mr. Frank Howatt and Mr. John Hauser.

Our Senior year of 1965 was one of many trips. We had an enrollment of 44 student. Officers were: President--Fred Abbring; Vice President--Kathy Pavot; Secretary--Louise Wright; Treasurer--Paul Gielerak; Student Council--Roger Parker and Janett Manns. Our caps and gowns were royal blue and white. The class motto is "Our Past Tells Our Future". All of the Seniors enjoyed the prom the Juniors gave us. The theme was "Song In My Heart". Our Senior play was under the direction of Mr. Herman Walden, the title was "Act Your Age". Our sponsors were Miss Kathryn Brown and Mrs. Makolyn Kosta.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1995. The public sector has also become an important employer of women, with 5.5 million women employed in the public sector in 1995, compared with 4.5 million in 1980.

There are a number of reasons why the public sector has become an important employer of women. One reason is that the public sector has a high proportion of women in its workforce. In 1995, 80% of the public sector workforce were women, compared with 60% in 1980.

Another reason is that the public sector has a high proportion of women in its senior management. In 1995, 30% of the public sector senior management were women, compared with 20% in 1980. This is a significant increase, and it suggests that the public sector is becoming more gender equal in its senior management.

Another reason is that the public sector has a high proportion of women in its senior management. In 1995, 30% of the public sector senior management were women, compared with 20% in 1980. This is a significant increase, and it suggests that the public sector is becoming more gender equal in its senior management.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office for National Statistics 2000). The number of people aged 65 and over is projected to increase to 16.5 million by 2020, and the number of people aged 75 and over to 8.5 million (Office for National Statistics 2000).

There is a growing awareness of the need to develop services to meet the needs of older people, and a number of initiatives have been launched in the UK to address this need. The Department of Health has launched the 'Ageing Well' initiative, which aims to improve the lives of older people by promoting their independence and well-being. The initiative includes a number of measures, such as providing information and advice to older people, and supporting them to access services. The Department of Health has also launched the 'Ageing Well' campaign, which aims to raise awareness of the needs of older people and to encourage people to support them.

The 'Ageing Well' initiative is a multi-agency effort, involving the Department of Health, the Department of Social Security, and a number of other government departments. The initiative is also supported by a number of voluntary organizations, such as Age UK and the Age Foundation. The 'Ageing Well' initiative is a key part of the government's strategy for addressing the needs of older people, and it is hoped that it will help to improve the lives of older people in the UK.
